

CURRICULUM VITAE - JOEL FAGOT :

Date of Birth : 05/24/1960

Nationality: French

Current address:

Laboratory of Cognitive Psychology,
 CNRS & AMU, UMR7290
 Bâtiment 9 Case D,
 3, place Victor Hugo, 13331 Marseille Cedex 3
 Email: joel.fagot@univ-amu.fr

Main research interest

- Primate cognition, primatology
- Comparative (human/non-human primate) cognition
- Perception, attention, short and long-term memory, categorization and abstract reasoning in nonhuman primates
- Social cognition and the interplay between social and non-social cognition in non-human primates
- Cultural evolution
- Language evolution (vocal production and cognitive building blocks)
- Development of novel methodologies for animal research
- Animal welfare

Scientific track record

- H index: 36 (scholar)
- 136 publications, 112 in peer review journal, 24 chapters
- 3 edited books
- 10 articles in scientific newpapers for the general public
- More than 100 co-authors

Rewards

International Fyssen Prize 2017

Career details

2010-present: First class CNRS research director,
 1999- 2009: Second class CNRS research director
 1993-1998: CNRS research scientist (first class)
 1989-1993: CNRS research scientist (second class)
 1988-1989 -Post-doctoral fellow, Yerkes Primate Center (USA)

Education

1998. Habilitation, Aix-Marseille I University
 1988 Phd (Cognitive Neuroscience), Aix--Marseille University
 1986 Master 2 (Neurosciences), Aix-Marseille University (Major de promotion.
 1985 Master 1 (Experimental Psychology), Université Aix-Marseille I
 1984 BA (Psychologie), F. Rabelais University,Tours

Affiliations/Laboratories

- Since 2009. Laboratory of Cognitive Psychology, Marseille.
- 2004-2008 Mediterranean Institut of Cognitive Neuroscience, Marseille
- 2001-2003 Institut of Cognitive Neurosciences and Physiology, Marseille.
- 1998-2001 Primate Research Institute, section Language and Intelligence, Department of Behavioral and Brain Sciences, Kyoto University, Aichi, Japon
- 1996-2000 Research center in cognitive Neuroscience, Marseille.
- 1990-1995 Laboratory of Cognitive Neuroscience, Marseille.
- 1988-89 Yerkes Regional Primate Research Center, NIH, Atlanta, U.S.A.
- 1984-1987 Eco-Ethology research team, Laboratory of functional Neurosciences, Marseille.

Current main administration and external committees

- Team leader of the “Comparative cognition group” in the Laboratory of Cognitive Psychology
- Member of the scientific committee of the Language and Brain Research Institute
- Member of the scientific committee of the Brain and language Research Institute
- Director of the Cognition and Behaviour Research Platefrom
- Member of the Ethical committee for animal research (CEEA14)

Editorial activities

Chief editor, founding editor, Revue Primatologie 1998-2005.

Associate Editor, Revue de Primatologie (depuis 2009)
